Classic Showjumps are now part of the Excelsior Group. Excelsior are a well established, family run plastics manufacturer who have been trading since 1902 and have a reputation for providing quality product and friendly, professional service to their customers.

We are a business that prides itself in offering excellent customer service, backed up by good quality product and quick lead times. Our main aim is to give outstanding customer service and to hold as many of the items that you see in our catalogue in stock as possible, with the intention of despatching within 10 days. For larger orders, please contact our sales office as all items may not always be in stock.

To ensure that our customers use only the very best products, all of our moulded ranges are manufactured from premium UV stabilised polyethylene which will not crack or discolour, and will stand up to most chemicals. Not only is it an extremely durable material, it is also very easy to clean, will last for many years and looks fantastic too!

We have added several new and exciting products for 2010 including a wheeled Tack Pack and a Pole Tidy unit, and we hope that you will like them. We have also added two new fresh colours to our standard range - orange and lime green. This enables us to provide a very comprehensive range of 11 standard colours as follows:

Terms and conditions

Payment:

Unless otherwise agreed, our payment terms for all UK customers are strictly pro-forma.

We offer the following forms of payment:

- Cheque with order - please note that no goods will be despatched until payment has cleared.
- Credit / debit cards - we accept:

- BACS - please contact us for our bank details. Goods will be despatched once funds are cleared.

Deliveries:

Our aim is to despatch all orders within 10 working days, however due to fluctuating stock levels this may not always be possible. For larger orders we will need to quote a fixed lead time and will always provide that at the order

stage, if you are in any doubt or have a special requirement please contact us on 0161 765 2010/2014.

Returns:

In the unlikely event that you would like to return any goods to us, it is imperative that our sales office is advised as to the reason for the return. Paperwork should be attached to the products and a returns number (provided by us) should always be quoted on the paperwork.

We operate a strict quality policy and any products that are returned without prior notification and relevant paperwork may not be credited.

Please note that due to charges imposed on us by the card suppliers, we are required to charge 3% for credit card transactions.

Our Sponsored Riders

We feel that it is important to help both up and coming and established riders, so in 20/10 we are very proud to be sponsoring:

Oliver Townend

The World Number 1! In his first Badminton, Oliver came a creditable 12th and earned himself an individual place at the European Championships at Blenheim in 2005. Oliver's partnership with Flint Curtis first proved successful in 2006 by coming 3rd at Badminton and gaining him his first British team place - where he won European Championship gold in Pratoni in 2007. The winning continued through to 2009 where Oliver won both Badminton and Burghley, and this double win set him up for the 2009 HSBC Classics title as well as giving him the opportunity to compete for the 2010 Rolex Grand Slam in Kentucky where his hopes for the title were unfortunately dashed by a fall during the Cross Country.

Niall Griffin

Niall Griffin has been one of Ireland's leading International riders for the last 6 years, and has represented his country on 5 of the last 6 Championship teams. He opted out of selection in 2007, choosing instead to compete in the CCI 4 star in Pau where he achieved 4th place, thus making him the highest placed Irish rider at a 4 star event in recent times. Niall and Lorgaine have achieved some great results over the past 6 years, including - 3rd at Punchestown CCI-OG***, 5th at Punchestown CCI***, and that 4th at Pau***. They have represented Ireland at 2 European Championships, 1 World Equestrian games and now 2 Olympic games.

Polly Jackson

Polly Jackson's is one of Britain's brightest talents in the world of 3 day eventing. Polly has been riding for over 19 years and has competed at many levels - from great success as a junior winning the British National Junior Championships to representing her country twice at the European Championships.

In 2010 she has a number of young and exciting horses.

Tina Cook

In 2007, Tina came 7th and 9th at Bramham and went on to win at Brightling Park and Gatcombe. Her success culminated in winning individual and team bronze medals at the 2008 Beijing Olympic Games, following an outstanding performance on a relatively young horse - Miners Frolic. In 2009 Tina achieved a fantastic double Gold at the European Eventing Championships at Fontainebleau, winning individual as well as team Gold.

2010 is sure to be a very interesting and successful year for her.

Nicola Sheard

In 2009, Nicola won the Newcomers Regional 2nd Round qualifier at the East of England show qualifying for HOYS where she finished a respectable 7th. One Nicola's horses, her home bred 9 year old gelding Just call Me Max, is on the World class Equine Pathway for horses that show medal winning potential. Nicola has also been selected for the British Equestrian Federation's Regional Foundation Squad and has her own Show Jumping Yard with a breeding programme producing youngsters to a high level. If 2010 was anything to go by, 2011 promises to be an even more exciting and successful year for Nicola.

Wednesday Bachelor

Wednesday Bachelor is a 16 year-old national show jumper aiming to compete internationally. She has been riding from an early age, first western then finding her true ambition in show jumping when she was 8. She currently owns 2 horses, one of which, Black Bess Little Star, she has owned from a 3-year-old and trained in all respects, paying off to be placed 9th in the country for junior unaffiliated in 2008 along with placings and wins at other large national competitions over the UK. Wednesday's other horse, Billisa Blue Lady, is five and is now competing at newcomers and discovery.

The Pro-Jump Range

Made from polyethylene plastic – fantastic, versatile material that won't crack or discolour, is easy to clean and looks great too!

1. Pro-Jump Block • CL250

Perfect for beginners with a top jumping height of 2'. Useful also as fillers. Dual height. Sold in pairs. Size: 35cm x 35cm x 58cm

2. Parallel Block • CL246

A three height block, with a top jumping height of 2'6", can hold two poles to create a small parallel. Sold in pairs. Size: 65cm x 45cm x 28cm

3. Sloping Block • CL247

With lots of different heights, this block is ideal to learn and gain experience in both jumping and spread work. Sold in pairs. Size: 83cm x 60cm 30cm

4. Pro-Jump Mini • CL251

Ideal for beginners and lunging or combine with a pair of Maxis to create a corner or an arrowhead. Sold in pairs. Top jumping height 2'6".

5. Pro-Jump Maxi • CL252

The unique three sided design makes these jumps flexible, easy to use and ideal for training. Link these together to make courses - two pairs can make three jumps. Top jumping height 3'6". Sold in pairs.

6. Pro-Jump Extension • CL253

Works with either the Mini or the Maxi to increase jumping height by 2'3". Sold in pairs.

7. Pro-Jump Cup • CL254

Used with the Pro-Jump Minis and Maxis, designed to take both poles and fillers or planks. Sold in pairs.

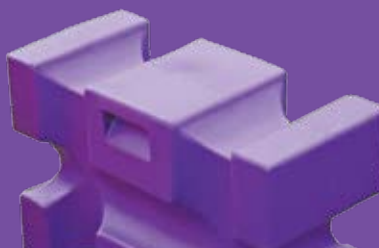

8. Pro-Jump Economy Stand • CL280

Same great design as the Mini and Maxi, but not multi-directional, it's design to hold poles on only one face - a fantastic jump stand for those who want 6' jumping height at an economy price. Sold in pairs.

Our products are available in 11 great colours - choose from:

red, blue, pink, purple, yellow, lime green, forest green, orange, brown, black and white...

The Pro-Jump Range

1. Pro-Jump 3 Band Poles • CL288

Made from the same great material as all our other poles but with just three bands of colour. Great for beginners as the larger middle section gives them more to aim at! Comes with removable end cap so for a bit more weight you can add sand. Available in a variety of colours.
Size 3m x 10cm

2. Pro-Jump 5 Band Poles • CL255

Five band, two colour poles made from 4mm thick coloured polyethylene, not PVC, won't crack or split even in low temperatures. They come with a removable end cap, so if you want to have a slightly heavier pole, just remove the end and fill with sand. Available in Red/White, Blue/White, Green/White, Black/White, Yellow/White, Pink/White, Green/Blue or Red/Yellow.
Size: 3m x 10cm

3. Pro-Jump Heavyweight Pole • CL256

Made in the same way as the lightweight, but with a solid wooden pole in the centre to provide extra weight. Great for top poles or when your horse needs to learn to pick his feet up. Available in Solid colour only - Red, Blue, Green, Yellow, Pink, Purple, White, Brown or Black.
Size 3m x 10cm

4. Pro-Jump Stile Pole • CL248

A shorter pole for those 'skinny' jumps that are a feature of all courses nowadays. It's made of the same great material as our other poles only shorter.
5. As above but with a wooden core for greater weight.
Size 1.75m x 10cm. Available in solid colour only.

NEW PRODUCT!

NEW PRODUCT! The Pro-Jump Pole Tidy

A brilliant new device to keep all your poles looking like new and in one place. No more dangerous piles of poles laying around your yard or school, getting dirty and damaged if you use our pole tidy.

The ingenious design means you can stack your poles up but always be able to take out which ever colour you want – they just pull out from one end. Can be used with either plastic or wooden poles.

6. Pole Tidy • CL245

Why Choose Classic Showjumps?

Product Range

We offer a fantastic range of products for the yard and field, and our aim is to launch several new products each year to keep our range fresh and exciting for your trade customers.

Stock

Because we recognise the fact that people want their goods as quickly as possible, we commit to holding as much stock as we can throughout the season with a view to delivering within 10 days where possible. Larger orders will take slightly longer so please check with our sales office.

Product Quality

We use only the best premium quality polyethylene plastic for all our products. This enables us to guarantee that our products will not crack or discolour, and customer feedback also tells us that the quality of our products is second to none.

Value for Money

Because we manufacture everything ourselves in-house, it means that our trade customers get the best possible prices. Our prices also allow for healthy margins for our trade customers.

Trade only supplier

We are fully committed to being a trade only supplier - we do not and will not sell direct.

Family run business

We have been family owned and run since 1902, and we pride ourselves on the personal service that we provide to all our trade customers. We are contactable at all times and are happy to visit any customer throughout the UK and Europe at their convenience.

Giles & The Classic Showjumps Team
